15<sup>th</sup> November 2009

Dear Colleague,

Thank you for your support of the *London Schools Athletic Association* through 2009. We had yet another fantastic year last year, and saw many wonderful performances at each of our events, and had a bumper medal hall at the English Schools Track & Field Championships (14 to be precise!).

Last year we rejoiced in the achievements of five of our ex athletes who competed for Great Britain in the Beijing Olympic Games. Following Phillips Idowus' success at the World Championships in Berlin, we are able to carry on with our celebrating!

For 2010 we have a host of events for your students to showcase their talents in both Cross Country, and Track and Field athletics! Here are the dates of our 2010 competitions:

- LSAA XC Champs @ Parliament Hill – 3<sup>rd</sup> February 2010 tbc
- LSAA Y7 & Y8 XC Champs @ Avery Hill - 3<sup>rd</sup> March 2010
- LSAA CE @ Lee Valley Athletics Centre – 26<sup>th</sup> May 2010
- Borough Championships @ Various Locations – suggest no later than week beginning 10<sup>th</sup> May 2010 as the CLOSING DATE FOR LSAA MAIN CHAMPS is 24<sup>th</sup> May 2010
- LSAA Main T&F Champs @ Battersea Park – 12<sup>th</sup> June 2010
- LSAA Y7 & Y8 T&F Champs @ Mile End – 22<sup>nd</sup> June 2010
- LSAA 2010 AGM – 1<sup>st</sup> November 2010 – tbc (depends on half term, and availability of Alleyns)

Most championships are inter borough. **PLEASE** ensure, therefore, that your school enters a team in the relevant borough championships. This will give your athletes the best possible chance of being selected for your borough team.

Enclosed with this letter is the '2010 Affiliation Form'. As last year the affiliation fee has remained at **£35** per school. This is so long as the money is received by **Friday 11th December 2009**. Thereafter it will rise to **£50**. (This is to encourage prompt payment). The affiliation fee of £35 includes entry fees for **ALL** of the LSAA events listed above, except the Combined Events Championships. You are kindly reminded, therefore, that in order for your students to compete in a championship your school **must** be affiliated to the LSAA.
